

**Sundar Mudupalli**  
**Associate Vice-President**  
**HCL Enterprise Transformation Services**

Mr. Sundar Mudupalli is an Associate Vice-President at HCL Enterprise Transformation Services. His role is to help develop and deliver the next generation solutions for HCL's top customers. Until recently, Sundar led HCL's Enterprise Transformation Services practice in Europe, which developed award winning solutions for HCL's customers. Sundar was one of the founders of HCL's Middleware and SOA practice at HCL. Prior to HCL, Sundar had a distinguished career at Hewlett Packard. His last role at HP was the program manager of HP's award winning software download service.

Sundar has a Masters in Computer Science from University of North Carolina at Chapel Hill and Bachelors in Computer Science from IIT Madras. Sundar enjoys swimming, skiing, and running.
