

Workshop on “Empowering Yourself Through Communicative Skills”

29-30, Oct 2011 at Chennai

Organized by

Computer Society of India, Chennai Chapter

IEEE Computer Society, Madras Chapter

IEEE Professional Communications Society, Madras Chapter

in association with

VictoryMind Educare Services Pvt Ltd

ABOUT THE WORKSHOP: This program centres on theories, cases, and practices of analyzing needs of communication English, writing skills, speaking skills, presentation and working in group. It considers those skills deemed essential for the successful communicative skills and identifying where there are any gaps. Students & professionals will have an opportunity to consider the best way to address the skills gap and understand to build it accordingly. At the end of the program the participants will be able to:

- Identify strengths, weaknesses and areas for development within various communicative skill areas.
- Build the skills that are not only significant to learning in academic achievement but also to your personal development and employability.

Program Duration and Pedagogy: The program is for two working days and would consist of a unique blend of interactive discussions, presentations, lectures, Audio/Video clips, Out bound Training, games and assessment tests. For a detailed tentative programme structure, pl. see <http://www.csi-chennai.org/ws-cs/ws-cs-pgm.pdf>

RESOURCE PERSONS: Seasoned and experienced trainers from Victory Mind, a Chennai based organization engaged in Skill Development initiatives.

- **Chhaya Ballav Sahoo:** A highly successful professional from IIM Calcutta, with specialization in leadership and strategy competency.
